

Company - Your Name: Stephen Packe

Description:: A young and fun teacher of both traditional and contemporary playing styles: classical, rock, pop etc.

Students of all ages welcome - complete beginners to intermediate-level players.

Lessons tailored to the student's interests. Can work towards exams or simply play for fun.

Lessons taught in teacher's or student's home (will travel within 2 mile radius)

Other subjects taught: Music Theory, Music Software (e.g. Cubase, Logic, Reason, Ableton Live).

Background: Graduated from the University of Hull in 2005 with a BA (Hons) in Creative Music Technology. Since then has taught piano and music software alongside working for music publishers Boosey & Hawkes and Schott Music. Also composes computer-based music and plays keyboard/laptop in a band.
